EDUCATION

Software Engineering Major

September 09/2019 - Present
GPA 8.6/10

FPT University HCM
Semester 5/9

Honorable Student Of Semester

Summer 2020 | Fall 2020 | Spring 2021 | Summer 2021

KEY SKILLS

DevOps

- Docker
- Nginx
- DigitalOcean

Database

- Microsoft SQL
- MySQL
- MongoDB
- Redis

Back End

- ExpressJS
- Socket.io
- NestJS
- Typescript
- Jest
- Java
- C Sharp

CERTIFICATIONS

Software Development Lifecycle

University of Minnesota June, 2021

CertNexus Certified Ethical Emerging Technologist

CertNexus October, 2021

PERSONALITY HIGHLIGHTS

Self motivated and self taught | Fast learner | Motivated by problem solving

PROJECT

MyChess /My Project

February, 2021 - May, 2021

My chess is an online website game that allows people to play chess or tic tac toe in real-time.

Technologies: NestJS, Socket.io, Typeorm, MySQL, Redis, AWS S3, NextJS, Tailwind.

Main Tasks: Built RESTful API server base on NestJS, and real-time connection with Socket.io and writing test with Jest. Contribute to building database design and features.

Booking Hotel /School Project

May, 2021 - July, 2021

SanninSC Hotel is a website that allows the manager to provide booking services online for customers.

Technologies: Java Servlet, JSP, Microsoft SQL, JSTL, MVC Architecture, Tailwind, jQuery.

Main Tasks: Built a server side rendering with Java Servlet and writing documentation.

FPT Blog /My Project

September, 2021 - Present

FPT Blog is a website for FPT University that allows the students to write a post to share their knowledge, experiences, opinions.

Technologies: .NET 5.0, Entity Framework, Microsoft SQL, Webpack, Tailwind.

Main Tasks: Built RESTful API server base on ASP.NET Web APIs, contribute to building the user interface, database design. Participate in feature building and project documentation.

ACTIVITIES

Key member of startup Webwork

June, 2021

Product life-cycle management

Working at Fire Phoenix Training

November, 2020

Teaching skill, teamwork, working experience

Member of F-Code Club FPT University HCM

November, 2019

Planning for an activity, networking, teamworking
